

OPPORTUNITY
RISING

our promise to all our kids

An initiative of the Duluth Superior
Area Community Foundation

When we rise for our
kids, we all rise.
So I promise to:

Recognize the growing gap
between those with opportunity
and those without

Initiate action to effect
change, one life at a time

Share stories and resources
with my family, neighbors
and community

Empower all kids to have
equal opportunities to live up
to their potential, independent
of place and race
